EDUCATION

Ph.D. in Computer Science & Engineering , University of North Texas (UNT), USA Advisor: Prof. Heng Fan	Jun. 2026 - Present
M.Sc. in Software Engineering , Northeastern University (NEU), CN	Sep. 2022 - Jun. 2025
B.Sc. in Software Engineering , University of Science and Technology Liaoning (USTL), CN	Sep. 2018 - Jun. 2022

RESEARCH INTERESTS

- Multimodal Understanding & Reasoning in Complex Visual Scenarios
- Large Vision-Language Models (LVLMs)
- Multimodal In-Context Learning @ Multimodal Learning
- Multimodal Entity Alignment @ Multimodal Knowledge Graphs
- AI for Medicine, Robotics

RESEARCH EXPERIENCE

- **Research Engineer**, CCTEG Shenyang Design & Research Institute Co., Ltd. Aug. 2025 - Nov. 2025
- **Research Intern**, Shenyang Zhongteng Zhongchuang Technology Co., Ltd. Jun. 2022 - Dec. 2023

ACADEMIC SERVICE

Conference Program Committee / Reviewer:

- EMNLP 2026
- LASS Workshop @ ACM CIKM 2026

LEADERSHIP & SERVICE

- **Class Leader of the Graduate Research Class**, NEU Sep. 2022 - Jun. 2025
- **Chairperson of the Graduate Student Union** of the Software College, NEU Sep. 2023 - Oct. 2024

SELECTED AWARDS & HONORS

- Outstanding Graduate of Liaoning Province 2022, 2025
- First-Class Academic Scholarship (**Ranked 1st**) 2022, 2023, 2024
- **Chinese National Scholarship** 2024
- Class Leader of the Outstanding Graduate Class 2023, 2024
- Outstanding Graduate Student 2023, 2024
- Huawei Scholarship 2023
- Future Technology-Taihu Scholarship 2023
